### Specification

ISO 9001:2000

Model	POWER ONE
Fingerprint capacity	3000/5000/10000/30000
Attendance logs capacity	80000 storage
Resolution	500 dpi
Fingerprint records dimension	16x14(mm)
Verification mode	1:1 or 1:N
Verification type	fingerprint/password/ID card (optional)
Type of card	RFID Proximity Card
Identification speed	<1 sec
False Acceptance Ratio	<0.0001%
False Rejection Ratio	<0.01%
Terminal Communication Method	USB, RS-232C, RS-485, TCP/IP
Download Method	USB Stick or TCP/IP
Languages	English/German/French/Spanish/Korean /Simplified/Traditional Chinese
Voice prompt	English/German/French/Spanish/Korean /Chinese/Cantonese
LED Display	128*64Dols
Interface-driven	Wiegand26.34in/out, Door lock
Electro static strength	<15KV
Power consumption	<5W
Operating temperature	0°C~ 45°C
Operating/Storage humidify	20% to 60%
Weight	1.5kg
Product size(LxWxH)mm	45x132x191
Warranty / Made from	1 year / UK
Door Access Function	Yes
