## Sample printing:

## Performance Description

ETP-20 is a multi-function Time/Date Stamp. It can use as a Time Recorder by simple setting. With a large illuminated print window and user-friendly operation system, it increases the effectiveness for the user to set and to print.

Built-in battery to store all the date, time and memory. ETP-20 will automatic reset after power failure. ETP-20 can print up to 3 separate lines and maximum 31 characters per line.

It is an ideal choice for business, office applicable to record time, date and/or numbering documents sequentially.
